Dear Parents/Carers

## Planned Y2 Educational Visits

We have planned educational visits for Y2 children for this academic year. We hope that by sending this information out early in the year it helps parents. We appreciate parents need more time to plan with the cost of living crisis currently impacting on all our finances. Educational visits not only offer learning to strengthen curriculum knowledge but they help to improve children's social and emotional wellbeing as well as offering them a wide variety of experiences.
