Dear Parents/Carers

Planned FS2 Educational Visits

We have a planned educational visit for our FS2 children for this academic year. We hope that by sending this information out early in the year it helps you to plan ahead. We appreciate parents need more time to plan with the cost-of-living crisis currently impacting on all our finances. Educational visits not only offer learning to strengthen curriculum knowledge but they help to improve children's social and emotional wellbeing as well as offering them a wide variety of experiences.

11.3.25 – The Deep

FS2 children will be visiting The Deep as part of our 'Under the Sea' topic. We will be taking part in a workshop to help the marine creatures under the sea. We will become Conservationist's and solve problems for the animals. We will also explore the aquarium and see all of the beautiful marine life.

How this links to our children's learning:

- Understanding the world: children will explore under the sea and learn all about marine life and how to care for our oceans
- Personal, Social, Emotional development: children will take care of the marine life and understand the importance of looking after all of God's creatures
- Children will learn about conducting themselves in public, public speaking and safety in public.

Trip	Entry cost per child	Coach cost per child	Contribution from parents	Total Contribution from school
The Deep	£10.50	£13.38	£23.50	£140.00

*All costings are subjects to final booking. Full details and breakdown will be available on individual trip letters.

Many Thanks,

Mrs Hickman

FS2 Teacher.
